Brushed Iron

Polished Iron

Description	Stainless Steel
Style	Tile
Tile Size	3", 6", 9" and 12"
Thickness	.25" (0.6cm)
Application	Interior/Exterior, Vertical Surfaces Only

During manufacturing, the stainless steel disks are adhered to a square tile backing. This leaves some areas of the tile exposed and sensitive to surface pressure. As a result, we do not recommend these tiles for floor applications. Please contact us for a sample of our current assortment.
