Style	Interlocking Mosaic
Tile Size	12" x 12"
Thickness	1/16" (0.3cm)
	1/8" (0.3cm) - Galapagos Only
Application	Interior/Exterior, Vertical Surfaces Only

During manufacturing, the shells are hand sorted into matching colors and sizes and individually glued onto backing. The sheets of tile can be trimmed to any shape and are flexible to allow contouring when necessary. It is not unusual to find occasional imperfections, veins, and lines of separation within the shells. This variation is considered to be a desired feature in the product. Please contact us to request a sample of our current assortment.
